Concentrated Silicone

**Silicone Spray** is the best spray lubricant for general-purpose lubrication or release agent for moulding plastics.

**Recommended Uses:**

- Lubricate valves, rubber seals and o'rings
- Minimise effects of corrosion on metal surfaces
- Lubricate curtain tracks, sliding doors and windows, zippers
- Lubricate gym equipment ie. Treadmills and other fitness machines
- Create slip on plastic and steel benches
- Lubricate conveyors, chains, hinges, cutting blades, heat sealers and much more

*Equivalent to market products such as CRC Silicone Spray.*

**Product Code:** 42800-400G – 12 per carton

**EAN:** 9317131 007671

Spray Adhesive

**Spray Adhesive** is a solvent based contact adhesive delivered in an aerosol spray. Ideal for:

- Paper
- Textiles
- Timbers
- Metals

SPRAY ADHESIVE allows repositioning before fast drying and is low odour.

*Equivalent to market products such as 3M Spray Adhesive.*

**Product Code:** 50200-400G – 12 per carton

**EAN:** 9317131 008555

Lube Wizz WD

**Lube Wizz WD Spray** is a multi-purpose lubricating fluid. General purposes include water displacement, degreasing, lubricating, penetrating and corrosion prevention. Suitable for all applications:

- Household
- Marine
- Auto
- Industrial and Workshop

Lube Wizz is also a very effective parting agent for bolts, nuts, screws or any rusted or oxidized locks or fittings. Lube Wizz can also be used around electrical terminals etc to protect them from rust and acid contaminates (batteries, circuitry).

*Equivalent to market products such as WD-40.*

**Product Code:** 43400-400G – 12 per carton

**EAN:** 9317131 008050

## Anti Spatter

**Paintable Anti-Spatter Spray** is an all-purpose 'guard' against welding spatter adhering to metal during the welding process. It can also be applied to the nozzle of MIG welders to prevent unwanted spatter sticking to the nozzle. The spray will not cause problems with later adhesion of paints or other surface finishes when applied to the metal. It can be used on:

- Mild Steel
- Stainless Steel
- Aluminium

*Equivalent to market products such as CRC Anti-Spatter.*

**Product Code:** 41000-400G – 12 per carton

**EAN:** 9317131 007435

## Barricade Water Proofer

**Barricade Water Proofer** is a polymer formula used to protect all kinds of fabrics and textiles. Barricade may also be used on carpets, curtains and soft furnishings as well as clothing, shoes and boots, tents & backpacks. Other applications include the protection of:

- Velour and cloth car seats
- Domestic linen and upholstered furniture
- Suede and most sporting and ski wear
- Canopies
- Leather
- Car and boat seats

*Equivalent to market products such as 3M Scotchguard.*

**Product Code:** 43900-400G – 12 per carton

**EAN:** 9317131 007534

## Brake & Parts Cleaner

**Brake & Parts Cleaner** is formulated to be a superior cleaner. Brake & Parts Cleaner contains important additives to instantly remove:

- Greasy
- Gritty
- Fibrous deposits

from brakes and parts that are vitally important function of your vehicle. Brakes & Parts Cleaner simply washes away any intrusive particles, leaving the surface clean and ready for action.

*Equivalent to market products such as CRC Brake & Parts Cleaner.*

**Product Code:** 41800-400G – 12 per carton

**EAN:** 9317131 007589

## Instant Degreaser

**Instant Degreaser** is a multi purpose spray for cleaning a wide range of surfaces throughout industry. This product contains a blend of solvents, additives and scourers for removing:

- Greases
- Dust
- Dirt
- Grime
- Oils
- Oxidized contaminates

from machines and areas to be worked or cleaned. It will effectively remove oil and grease from concrete.

*Equivalent to market products such as WD Degreaser.*

**Product Code:** 45600-400G – 12 per carton

**EAN:** 9317131 007616
